Dear Terezina,

I am writing you to thank you appropriately.

Thank you for your help with our booking complications. I hope our next visit will be without any difficulties.

I still have one request. We would appreciate if you could thank to our guides Terez and Jutta for their lecture and patience. Our pupils were really enthused by it.

We wish you nice summer.

Kind regards

Petra Šorfová, ZŠ 28. října 1, Příbram
